

Rising 8th Grade
Summer Reading 2022

For the Summer of 2022, each rising 8th-grade student will be required to read *Tuesdays with Morrie* by Mitch Albom. *Tuesdays with Morrie* will be pushed to their MacBook Airs before summer and will be used for instruction during the first few weeks of school. If a paper copy is desired, the parents can purchase this for their child. If an audiobook is desired, it too can be purchased or checked out through the TFS Sora library or the Charlotte Mecklenburg Library, but it should not be used in isolation as the student needs to follow the text as well. The assignment is due on the first day of classes, August 18, 2022.

Tuesdays with Morrie

Required Book Task: Responses to Passages

We have broken *Tuesdays with Morrie* into three sections (see below for links):

- 1: The beginning TO The Third Tuesday (We Talk About Regrets)
- 2: The Audiovisual, Part Two TO The Eighth Tuesday (We Talk About Money)
- 3: The Ninth Tuesday (We Talk About How Love Goes on) TO the end

After you read each section, there will be four small passages to RE-READ. Each passage has a specific question about which to think. Write a one-paragraph response to each question. All responses will be recorded on a Google Document that has been assigned through Google Classroom.
